

TIM CHRISTINAT

Bachelor of Visual Communication (Graphic Design), 2003

Tim Christinat is a Sydney based designer and artist working all over the nation on many creative initiatives!

He began drawing at a very young age, and began painting in 2011 completing one of his all time favourite pieces 'Marcel' a tribute to his Grandfather which now graces the wall of his living room.

Tim likes to experiment with acrylic paint and other mediums, using colourful palettes and bold strokes, he paints out of inspiration and his art always gives a positive feel. In the last couple of years he has explored live paintings; working with an audience, time frames and wet paint has been a great challenge but has pushed the limits of his art.

Tim is a passionate artist, loves being creative, taking risks and throwing paint on the canvas letting it drip, a nice contrast to creating and marrying perfect type and vectors behind his computer!
